

2011 ACTA Summer & Fall Tennis Lesson Program

- ⇒ The Algonquin Community Tennis Associations teaching program incorporates concepts from USPTA's Little Tennis, USA 1-2-3 and the more modern quick start tennis as well as over 15 years of high performance training methods with high school and adult players.
- ⇒ Select your class and fill out the sheet listed below. Mail this form along with a membership form to address listed below. The cost of an annual family membership is \$10 and can be combined with one check. Grades are for the 2011-12 school year.
- ⇒ These lessons are designed to have between 3-6 student per instructor ratio. Players are grouped on court by a combination of *ability* and age. Class sizes will vary depending on enrollment.
- ⇒ To accommodate the overall program it is possible that some students might be switched to a different class or time. If you do not hear from us you have been added and you only need to show up on the first day of lessons.
- ⇒ Refunds will not be granted for missing lessons. Our staffing is based off of enrollment numbers. However, all attempts will be made to make up a missed lesson if mentioned ahead of time. When canceling with at least one week prior notice we will honor a full refund.
- ⇒ 2011 summer rates remain the same as in years past.
